### GRAHAM COUNTY HAS UNIQUE FAIR PARADE

More Than Dozen Schools in County Have Floats in Line

Safford, Ariz., Oct. 12.—The Graham county fair, held at Safford, opened with a splendid parade. The parade was nearly a mile long and was by far the best parade ever seen here. The floats of the various public schools, about a dozen of which were represented, made the biggest hit. The Pima school, with a most attractive float representing the various states, Arizona and New Mexico, with characteristic scenery and pupils acting all western character demand more convincing proof. Safford schools had five floats. The

### THE TEST THAT TELLS

Is the Test of Time. Many El Paso People Have Made This Test.

Years ago this El Paso citizen told to a public statement, the benefit derived from Doan's Kidney Pills. The statement is now confirmed—the testimony complete. Instances like this are numerous. They doubly prove the merit of Doan's Kidney Pills. Can any El Paso reader demand more convincing proof? It's El Paso testimony—it may be investigated.

Mrs. Carlisle B. Taylor, 2415 Texas St., El Paso, Texas, says: "In February, 1907, I gave a public statement telling how greatly Doan's Kidney Pills had relieved me of trouble caused by weak kidneys. I can add at the present time that I have never suffered to any extent since. I have had slight attacks, but these have been quickly disposed of by the use of Doan's Kidney Pills. For some time I was laid up by pains in the small of my back. Doan's Kidney Pills were finally brought to my attention and procuring a box at Kelly & Pollard's drug store, I began their use. They cured me and therefore I can highly recommend them." For sale by all dealers. Price 50 cents. Foster-McBarn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

## GRAND JURY HAS FOUND 21 BILLS

Mesilla Valley Apple Man to Address Denver Meeting

Las Cruces, N. M., Oct. 12.—The territorial grand jury has returned 21 true bills and six no true bills thus far. The work has been forced to lag somewhat on account of delay in getting witnesses to appear. It is probable that several more true bills will be returned before the work of the grand jury is completed.

It is likely that all civil cases will be postponed until after election, only the criminal cases being heard at this time, of which there are many. After the disposal of the criminal docket, the court will adjourn until after election, November 7.

That the Mesilla valley is the original "apple land" is demonstrated by the owner of "El Manzanal" orchard, J. G. Stuart, being invited to make an address on apple orchards at Denver. Mr. Stuart shipped three cars of apples last week, and in all this season 25 cars will have been shipped, of carefully sorted and packed fruit.

J. W. Freeman of Rincon has some very fine specimens of apples which have been left at the chamber of commerce for exhibition purposes. Some would weigh as much as a pound and a half. Mr. Freeman stated that this season will net about \$355 per acre, and that no spraying is required in the orchards of the Palomas and Rincon valleys, but these valleys yield a fine quality and flavored apple that is very large in size.

One of the largest social functions of the season was a reception given by Mrs. Frank French and Mrs. Robert P. Porter at the home of Mrs. French on Griggs street. There were about 125 guests and the hostesses were assisted by Mrs. James P. Sattley, with Mrs. Fleming Jones, Mrs. M. Stine, Mrs. Deasauer and Miss Cox in charge of the dining room.

The entire house was beautifully decorated with roses, the dining room being effectively decorated in white and pink. The tea and confections carried out the color scheme.

Miss Vera Field and Annabelle and Maxine Lane were in attendance at the door.

One of the city yesterday from El Paso, Texas, on a business trip.

Mr. and Mrs. Peterson, Mrs. Hamilton and Mr. Peterson's mother arrived home last night from California, where they have spent the past three months. Mr. and Mrs. Dick were in the city yesterday on a business trip.

Mr. and Mrs. Merrill entertained a party of guests at dinner last night. The social club of Las Cruces was entertained by Mrs. Luther Foster at her home with a luncheon. It is the custom of the club to entertain in this manner the hostesses may see fit, and Mrs. Foster took the medium of a luncheon to please her guests, who were chided for the lack of a clock, was participated in by the 30 odd members of the club and greatly enjoyed. The decorations and place cards were very attractive.

The Thursday Afternoon Bridge club met at the home of Mrs. Sam Manasse yesterday afternoon.
